1. Clearance has been obtained, as requested, for dissemination of the documents listed below to Foreign Service posts [REDACTED] for ACTION classified CONFIDENTIAL. Because of the sensitivity of the source, we have been requested to urge extreme caution to avoid its compromise.

2. As you requested, we have attempted to procure more readable prints of the attachments to these reports than those previously forwarded to you. We have been informed that the poor copies resulted from equally poor originals. Should a particular document or group of documents be considered of special interest, or if specific phraseology is considered important, we would be happy to reconsult the original attachments.

3. It is requested that where CIA source descriptions or numbers are known, no mention of these be made in any further dissemination of this material. Please advise this Agency of the use made of the information contained in this report.
